NAME INDEX

An index to the names of composers, authors of words, editors, compilers, arrangers, claimants, etc. given in the main entries. In general, names are arranged alphabetically under the distinctive part of the name, e.g., Schirmer (G.) Inc.; Strauss, Johann, Jr. Firm names preceded by qualifying words or phrases are also inverted unless the grammatical construction requires that the phrases not be broken, e.g., Arpege, Editions; but Editions Ouvrieres. Below each name are the titles under which the main entries are to be found. Renewal registrations are identified by the symbol (R). Each name is given in the fullest form and in the spelling found in the work and accompanying application. A name recorded in connection with more than one work and application may therefore appear in varying forms and degrees of fullness. However, some deceased composers whose names occur in widely varying forms will normally be entered under the form which is most commonly used.

WHEN YOU'LL OFF AND RUN.

 WHY ARE YOU SO UNKIND.
 WHY DO YOU POSTPONE.
 WITH OUR LOVE THE WORLD WE

 YOU ALONE MY PROBLEMS DO NOW SOLVE.
 YOU ARE EV'RY SINGLE THING TO ME.
 YOU ARE EV-'RY WHERE.
 YOU ARE LOVE AND HATE AND EV'RY THING.
 YOU ARE LOVE THAT WON'T RUN.
 YOU ARE MINE ALL THE WAY.
 YOU ARE NOT NOW THE SAME PAUL.
